

Dear Sir/Madam,

As the representative of Kliu Solutions S.L., the manufacturer of KLIUCORK (spray-on cork), and having learnt that your company works in the building industry, I am attaching a letter of introduction to our product.

KLIUCORK spray-on cork offers the ideal solution for your projects, whether new build or renovations, interiors or exteriors (façades, roofs and terraces). It is an eco-friendly cladding that is easy to apply and offers numerous benefits compared to other similar products.

If you would like to know more we would be delighted to arrange a meeting to discuss your requirements, exchange experiences and answer any queries you may have, as well as providing you with a sample of the applied product.

If you need any additional documentation or if we can be of assistance in any way, please feel free to contact us.

Yours sincerely,

Jorge Fernández
